OLD BUSINESS: Mayor Pompper asked Mr. Sowers to speak on the Body Cameras and Tasers.

Mr. Sowers stated that he is recommending that the Department go ahead and start using Body Cameras. Mr. Sowers stated that other Salem County Departments will begin using the cameras, all except Woodstown, who are not going to use them because of the cost. Mr. Sowers stated that the public wants this and it may benefit an officer in the future.

Mr. Venable stated that he wants any department to have what they need to do their job, but they are going to be carrying so much equipment that they will not be able to do their job. Mr. Venable does not feel the cameras are necessary and that the criminals are the ones who want them. Mr. Venable is not sure body cameras really show anything because the person is moving and may duck behind something if there is an active event. Other discussion was on the fact that this was no longer a requirement from the State Attorney General's Office. Mayor Pompper stated that was because it was determined to be an unfunded state mandate and therefore it was dropped as a requirement by the Attorney General's Office.
